BRIDGE COURSE 2023-2024

19.06.2023 – 30.06.2023

The Research Centre of English conducted Bridge Course for all the first year undergraduate students from June 20, 2023 to June 30, 2023. Bridge course is organized by the department every year to enable the I UG students to transit smoothly from their school level to a new learning ambience in the college level. The learning module is specially designed to cater to the development of all the macro skills of the learners. Profuse use of pedagogical techniques and audio visual materials facilitated effective teaching and learning.

An entry level test was administered on June 19, 2023 to assess their competence in English. Based on the marks obtained in the entry level Test, the students were divided into 3 streams namely Basic, Intermediate and Advanced and were into 11 sections. 33 students of II MA English acted as student facilitators and assisted the teachers in handling classes. A total number of 559 beneficiaries were benefitted by the course.

The course focused on the four language skills namely listening, speaking, reading and writing. The students were encouraged to interact and participate in various language tasks and games that included vocabulary, grammar, short conversations, debates and continuous writing. At the end of the Bridge Course classes an Exit Test was conducted to assess the outcome of the course.

The valediction of the course took place on 30.06.2023. Students gave both written and oral feedback. The feedback questionnaire was based on the personal, psychological impact and general evaluation of the course, teachers and volunteers. They showcased a captivating cultural performance which
